

Role:	Security Escort
Location:	Derby
Role Requirements:	Certified Baseline Personnel security standard (BPSS), Security Check Clearance (SC)

About the Company

JN Bentley is recruiting for multiple Security Escorts to join our growing team working in Derby on our Rolls Royce framework. We are a well-established civil engineering and construction company with projects across the UK.

Role Responsibilities

The primary role of the security escort is to support the security department in providing control of access and exit to and from the contractor working area.

- Security escorts will maintain line of sight of all un-cleared contractors in transit to/from dedicated sanitised working areas and will carry out specific assurance checks on them when operating within the allotted boundary.
- The security escort/visit host is expected to remain vigilant and maintain regular contact with the Security team.
- Report any breach of security or suspicious activity to the Duty Security team immediately.
- Ensure the working area has been appropriately sanitised in preparation for F10 and un-cleared visitor working. Security will carry out assurance checks at regular intervals.
- The security escorts must be aware of the IT entry/removal authorisations process and will ensure no prohibited items are knowingly brought on to or used in

Role Requirements

Must hold certifications for Baseline Personnel security standard (BPSS), and Security check Clearance (SC)

To work for us on this contract you will hold a Security Check (SC) clearance without any caveats to that clearance..

Due to the nature of work the Business conducts and the protection of certain assets a person has to be a UK national or in MoD approved cases a Dual National from a non-ITAR country.

Our Benefits

We can offer a wide variety of benefits that you can tailor to your needs. Some of which are listed below (dependant on role):

- Competitive pay
- Mileage paid on travel
- 30 days holiday (incl. Bank holidays)
- Good Maternity/ Paternity Pay packages
- Uplift and Subsistence pay
- Sick Pay and Statutory Sick Pay
